

The Media Showcase Award

The 2015-2016 Media Showcase Award recipient in the Junior/Senior Engineering Design category is Shanice Jones of Embry-Riddle Aeronautical University for her presentation entitled, “A Mechanical Model for Hip Reduction via Pavlik Harness in Newborns.”

Media Showcase Award recipient, Shanice Jones (left), and Division Chair, Nicholas Bertozzi (right).

The 2015-2016 Media Showcase Award recipients in the Freshman/Sophomore Design category are Christian Llanes of Embry-Riddle Aeronautical University for his presentation entitled, “KJ66 Revamp” (not shown) and Karen Maurer of Embry-Riddle Aeronautical University for her presentation entitled, “Enhancing the Novice Optical Telescope.” Their presentations can be found at:
<http://edgd.asee.org/conferences/proceedings.htm>.

The Media Showcase Award was established to encourage the highest level of professionalism in media presentations at the Engineering Design Graphics Division Midyear Conference and includes a framed citation and cash award. The Division Chair, Nicholas Bertozzi announced the award recipients at the conclusion of the Division’s 70th Midyear Conference held in Daytona Beach, Florida during the Awards Banquet.

The award description can be found at
